

Mornington  
9-4-93

Dear Brian

A date has been set for my hearing —  
it is May 27.

In the meantime I will stay on at  
Mornington (my cousin's family is not coming to stay) while  
the next bit of legal stuff is done + possible assessment  
sessions with Professor Ball.

I enclose a letter to BPB. I have  
intended for a while to write to support him. So if  
you think it appropriate you might send the letter  
on please.

Holy Week/Easter greetings

Many thanks

Gerry
