Dear Gerry,

Following your indication to me earlier in the year that you hoped to be allowed to remain at the Catholic Enquiry Centre in 1985, I have been in touch with Jim FitzPatrick and he has assured me that he will be happy to have you continue on the Staff. Accordingly I write to formally advise that you are free to accept an appointment to the Centre next year.

With kind regards and every best wish,

Yours sincerely in Christ,

Bishop of Ballarat.
