Phone call from LS [REDACTED] REDACTED

He needs clarity from me on where we are at with Towards Healing.

He perceives the process has been one of being dealt with from a distance

Critical focus

He wants to establish where we are at before he can contemplate his options for the future.

He does not believe it would be useful to meet at the moment. If we meet now, would only to rehash old things

Left it that I would ring after meeting with Archbishop after 04/04 (upon his return from Rome)
