Catholic Church Office

ADELAIDE SA 5001

Dear Archbishop,

We enclose a copy of our most recent letter to the Director of Professional Standards regarding the "gift".

This letter outlines some of the reasons we are so angry and disgusted at the way the Catholic Church has dealt with this matter both in 1991 and since. The Church lost control of the situation in 1991 by not dealing with the issues appropriately. Since 2001, when parents raised the issue again, the Church has attempted to assume control and has not in any way demonstrated an ability to exercise this control competently or with any sensitivity.

The abuse continues.

Yours faithfully,

LS
