Dear Pauline,

You would have received a copy of a letter sent to David Cappo on the 23 April, 2002 in which concerns were outlined regarding the Church's response to abuse of our child whilst at St. Ann's School. In the letter we requested that a response be given within 14 days but to date we have not received a reply.

We are dissatisfied with the lack of communication regarding the process and therefore, in accord with section 43 in *Towards Healing* we formally request a review of the process by an independent reviewer of the procedures contained in Parts 40 and 41.

Yours faithfully
