 He said that I was breaching my contract with him.

I clarified that payment for counselling was offered as an interim measure whilst the Church considered its response to the former students of St Ann's + their families.

He advised that he & other families have seen a lawyer & we are suing the Church in this regard.

So he wanted the letter changed & a copy of the amended letter.

I put to him that I could not do that.

That I would note his concern and advise the Archbishop. He said that the Archbishop would already know as he would have been served with the notice to sue.

Memo to Archbishop - gave to Sue & to discuss with him.

pc to Anne Carolin - briefed her.

pc to Tony Fuller - briefed him.

briefed Joan Atkinson.

To discuss at St Ann's Taskforce Meeting tomorrow.
