REDACTED

Dear NM and NO

It was good to meet with you again when you came into the office with REDACTED on the 24th of April 2003.

The parking receipts have been passed on for processing.

As explained to you then, we are progressing with these matters in relation to St Ann's, and your case will be the first to be dealt with. I am preparing all the available information for this process and it is this reason that I am writing to you, to request your written permission to obtain a copy of the police statement.

I have enclosed a form for you to sign, including a self-addressed stamped envelope. If you wish to discuss this, please give me a call.

I am sorry that this process is a slow one. When it is clear, I will contact you to advise you of the next steps in the process.

Yours sincerely

Sue Cain
Director
