We the parents of the Victims of sexual abuse at St Ann's Adelaide appeal you to assist us in our fight for justice. We are seeking compensation for the accommodation and care for our severely damaged children.

These young innocent disabled people were subject to the most hideous and violent rape and sexual torture by a group of Paedophiles (6 have been identified) These events occurred over years. On numerous occasions. Parents complained to the school re dramatic changes in behaviour and the very late arrival of the bus they were either dismissed or an excuse made. When children began talking to Teachers and Parents about the size of a Penis the then Principal accused the complainant of having a sick mind and evicted them from his office.

The School and the Church were made aware of these events in 1991 but chose to keep them secret. It was nearly 11yrs, later that Parents accidently discovered the truth.

Parents trusted the Church Authorities and believed that they would assist them with the proper management and counselling for their children. How misplaced was that belief and trust.

To this day Archbishop Philip Wilson denies these very damaged human beings the help and support they need. Parents have never been contacted by Archbishop Wilson or his staff to inquire about the welfare of these victims.

Indeed he did pay for 12mths counselling, then without warning, the Counsellors were told they would no longer paid

Only 12mths counselling, after years of abuse and more than 10yrs of cover up!!

We appeal to you to help us in this matter. They need 1:1 support. The compensation for the victims will go into a Trust to be administered by a Court approved Administrator. Parents will not have access to these monies.

We humbly beg you to assist as Archbishop Wilson Steadfastly refuses to do so

Your's Sincerely Parents of St Ann's abuse victims
