Dear Archbishop Wilson,

Re: &

Thank you of your letter of 6th of August 2004.

We have spoken to our clients and are keen to meet with you at your premises.

Our clients have again expressed a desire that Father Cappo also be present but appreciate that that is a matter for you. The basis for that is that some of their concerns are in respect of the implementation of the Healing Process and involves matters upon which Father Cappo can constructively comment.

We confirm that the meeting would be between you and Father Cappo (if you so allow) and our clients. I confirm that I am not instructed to attend.

If your office can contact the writer's secretary we will arrange an appropriate time.

We trust that all of the above is appropriate and if you have any queries please do not hesitate to contact me.

Our clients, prior to the meeting, will document for you a list of topics that they wish to cover with you.

Thank you for providing our clients with this opportunity.

Yours faithfully,
JOHNSTON WITHERS,

Anthony Kerin
