5. Archbishop's Inquiry

Archbishop Wilson said the church's current inquiry into the processes in place during 1986 and 1991 was progressing well. After extensive interviews, all information was now in the hands of Mr Brian Hayes QC who had taken over from Mr Chris Kourakis QC following his appointment as solicitor general. The decision re its availability to the public is entirely the Archbishop's decision. We expect at this stage for it to be with the Archbishop before the end of the year.
