Dear Stephen

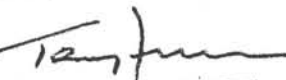

**Michael Critchley**

I enclose an audio tape of the Archbishop's interview with Matt Abraham on ABC radio and a copy of the Archbishop's letter to the parishes which was read at Mass on the following Sunday, as requested.

I refer to our telephone discussion last Friday evening and confirm that the intention is not to revisit Brian Hayes' report. Rather if, in the course of the panel's inquiry it discovers information which is inconsistent with that on which Brian's report is based then the panel should refer that additional information back to my client to consider to what extent it impacts on the conclusions drawn in the report and so that the Archbishop can decide, among other things, whether there is any need for the panel to continue.

I have referred that in tender process to Peter Hannon for the attention of the panel.

Yours faithfully  
**O'Loughlins**
