

CONFIDENTIAL  
MINUTES  
Child Protection Taskforce  
Church Office Wakefield Street 27/10/04

**Present:** Jane Swift, Allan Dooley, Tony Fuller, Jacqui Van Stanton, Anne Carolin,

**Apologies:** Archbishop Wilson, Msg David Cappo, Peter Quigley, Chris Rann, Pauline Frick.

**St. Ann's**

Jane and Tony met with [REDACTED]. She provided useful insights into school management issues during the period of Brian Perkins employment. She confirmed [REDACTED]'s view that students attending off campus curriculum activities would have been supervised by at least one staff member in addition to the school bus driver. This evidence refutes the claim that [REDACTED] was at risk of either direct or indirect abuse by Brian Perkins.

The media focus on services and funding to young people with disabilities was discussed. Allan said that he was happy to work with Msg David Cappo on post school options for students with disabilities. Allan asked Sr. Loreto to keep St. Ann's out of the media debate.
