Family 2 response to letter

Archbishop Wilson and Sue reported that they both had received a response from the Family 2 on Friday 29/7/05 stating at present unable to respond due to son in hospital who has terminal cancer. Archbishop wrote to them to let them know that he would pray for their son. Archbishop raised concern that this may intensify their feelings. Archbishop suggested that we look at a facilitation process for the Family 2 so they can air their grievances. This may allow them to come to grips with the problems their dealing with.
