Dear Brian,

St Ann's Special School

Thank you for your letter of 22nd March seeking further information.

I have some of the information which I thought I should send to you on interim basis.

1. As to the report by Allan Dooley to Archbishop Faulkner in about July 2001 I attach a number of documents provided to me by Mr Dooley relating to that event. The photo copies of notes made by Michael Critchley are not legible (for which I apologise), but you already have copies of those documents as attachments to Michael Critchley's statement in the brief.

2. As to any Board minutes or reports, I refer you to paragraphs 34 to 36 inclusive of Paul Morrissey's statement and paragraphs 12 to 17 of David Prince's statement in the brief. As to any policies or procedures for the appointment of staff I refer you to paragraphs 38 to 43 of Paul Morrissey's statement and paragraphs 8 and with 18 to 21 of David Prince's statement.

3. None of the files referred to by the Principal have been recovered. Given the former Principal's lies to Mr Dooley in relation to conducting police checks, our reasonable assessment is that he was instrumental in the removal and probable destruction of those files.

4. I am still endeavouring to locate a copy of the Constitution for the Catholic Special Schools incorporated for the period 1986 to 1991 and will forwarded to you as soon as I have it.

Kind regards,

Tony Fuller
