Subject: Student Protection Confirmation Requirement

Dear Colleagues

Welcome back! I trust that you have had a restful and relaxing break and I hope that the joy of the arrival of the Christ-child will linger with you during this period of reconnection with school life.

You have recently received advice from Margaret Hendriks via CEO Circular 001/2009 detailing system requirements with regard to items on the Student Protection Checklist.

The purpose of this email is to convey clearly to you the mandatory nature of this advice. The devotion of an appropriate amount of time during a staff meeting prior to the commencement of the school year is required. I know that you will best integrate this requirement into your planning for the days available.

I would ask that you confirm with me the completion of this task by email by Friday 30 January 2009.

Regards

John
