Dear Ms Jarrett

Our client: The Corporation of the Roman Catholic Diocese of Toowoomba

We act for The Corporation of the Roman Catholic Diocese of Toowoomba in matters arising from allegations of abuse which have been made against a former teacher of a school within the Toowoomba Diocese.

We note that Professor Webb's letter of 9 February 2009 to our client requested a response to a number of issues relevant to the Board's consideration of our client's ongoing accreditation. The letter requested a reply by close of business on 17 February 2009.

John Moore of our office is still to review Bishop Morris' detailed response to Professor Webb's request for information. Unfortunately Mr Moore is out of the office today. We anticipate Mr Moore will be in a position to consider Bishop Morris' response tomorrow. We understand that Bishop Morris intends to forward his response to Professor Webb as a priority as soon as possible thereafter. This should be by close of business tomorrow.

Our apologies for any inconvenience caused to you or the Board as a result of this delay.

Yours faithfully

Thynne & Macartney
