Attachments: 4 January 2010 FILE NOTE REDACTED disclosure.doc

Good morning Bishop Bill

Attached is a file note describing a disclosure I received on 29 December 2009 in relation to an allegation against G Byrne in 2002. I have referred the matter to the Child Protection and Investigation Unit in Toowoomba this morning in accord with our processes and procedures.

I will also provide this information to Thynne & Macartney.

Regards

John
