Non-State Schools
Accreditation Board

Bishop William M Morris DD
The Corporation of the Roman
Catholic Diocese of Toowoomba
PO Box 756
TOOWOOMBA QLD 4350

Dear Bishop Morris

I refer to the revised Student Protection Policy enclosed under cover of a letter dated 30 August 2010 from Thynne and Macartney, on behalf of The Corporation of the Roman Catholic Diocese of Toowoomba, in response to the Non-State Schools Accreditation Board's correspondence of 12 July 2010.

The Board has now completed its examination of the revised policy.

The Board considers that:

- (a) the issues raised in the Board's letter of 12 July 2010 have been addressed;
- (b) the policy complies with the requirements of section 366 of the *Education (General Provisions) Act 2006*; and
- (c) the policy complies with the requirements of section 10 of the *Education (Accreditation of Non-State Schools) Regulation 2001*.

Given this, the Board understands that the training program mentioned in the 19 August 2009 compliance notice (see paragraph 7(b), (c), and (d) of the schedule to the notice) and referred to in the Corporation's subsequent correspondence, will now be able to be fully implemented.

The Board would appreciate receiving information from the Corporation about the date on which it anticipates being in a position to certify to the Board (see schedule, paragraph 8(d)) that the program of training referred to in paragraph 7(b) of the schedule has been implemented as required by paragraphs 7(c) and (d).

The Board would welcome receiving this information at the Corporation's earliest convenience.

Yours sincerely

Emeritus Professor S Vianne (Vi) McLean AM
