Dear Bishop

■■■■ just phoned and asked for a copy of the letter that you sent to ■■■■ regarding where you prefer him live... he says you asked him to draft a reply, but he does not have this letter... and I do not see it on the server.. Thanks!

Also - I booked an appointment for a Jennifer Ingham for next Wednesday (28th Aug at 3.30pm). She said that you'd know what it is regarding..she's from Brisbane... I told her that I'd have to reconfirm this date/time with you first... is this okay?

Adios for now... (all else is very quiet and no mail!)
