Dear Mr Ormerod

I have been on holidays and have just received your letter regarding allegations of sexual abuse in our Diocese of Rockhampton. I am deeply distressed by those allegations and I appreciate the advise you have offered.

Having discussed the matter with my own advisers, I would ask you to encourage the gentleman who is making the allegations, to make direct contact with our Diocesan representative who addresses these allegations:

Fr Noel Hynes,
St Patrick's Presbytery,
16 Powers Street,
Bundaberg Qld 4670

I assure you and the gentleman concerned, that we will do all we can to address these allegations.

Yours sincerely

Brian Heenan
Bishop of Rockhampton
