Reginald Durham – Rev Father

AYB

1992 (Bishop)

1994 (Brisbane Archdiocese)

AYB wrote to me in 1992 and then asked for an interview regarding interference of a sexual nature by the alleged offender when she was eleven years of age.

At no time did she disclose the alleged offender but left with question unanswered. She said she was having counselling and wanted no action taken.

In April 1994, word come from Brisbane Archdiocese that she sought a meeting with the alleged offender whom she had named. Our contact person, Fr Noel Hynes is arranging the meeting. She says she has no wish for further action.
