My Dear Lord Bishop,

I do hope & pray that the Retreat is going well - I can honestly say I miss you all very much and my prayers & thoughts are with you.

My Lord, would you please kindly thank all the Priests (if you get the chance) for having written me & offered Masses Prayers & special thoughts for me over these past few months. I have prayed for you all during these special days.

Would you kindly ask a small prayer for Dick Ignan & myself who will be 56 years ordained on Sunday 27th July.

Many thanks to you My Lord for your kindness, friendship & help over these past 12 months.

God Bless you all

Your sincere & obedient servant in Je

B. Many thanks for your visit My Lord - I shed a few tears after your life RD.

My next Court appearance is 8th August - I do hope I will be able to speak to friends as I have to keep silent until this is pushed for the time being RD
