Dear Sister Di Anne

Thank you for your letter regarding the continued residence of Fr R Durham at the presbytery provided at Neerkol. I respect your wish, expressed in your letter that he should not reside at Neerkol.

I am in the process of seeking alternative lodgings for Fr Durham and I assure you, I will have the matter resolved as soon as possible. I gratefully accept your previous offer that Fr Reg stay until doctor's appointments are completed.

Thank you for considering this matter.

Yours sincerely
