24<sup>th</sup> June 1997.

Dear Christine,

Thank you for your letter regarding future counselling for Mrs. AYB following our conversations with Myelene Curwick.

Having discussed the matter with Bishop Brian Heenan, we are agreeable to fund the necessary counselling until the end of June 1998, with a review prior to the commencement of a second period.

I trust that this approach provides adequate basis for the service which you envisage.

We wish to thank you very sincerely for your letter and for your work.

A cheque for \$440.00 covering costs to date is enclosed.

With best wishes.

John Johnstone
