

24<sup>th</sup> June 1997

Dear Christine,

Thank you for your letter regarding future counselling for AYB following our conversations with Myolene Carrick.

Having discussed the matter with Bishop Brian Heenan, we are agreeable to fund the necessary counselling until the end of June 1998, with a review prior to the commencement of a second period. I trust that this approval provides adequate basis for the service which you envisage.

We wish to thank you very sincerely for you letter and for your work. A cheque for \$440.00 covering costs to date is enclosed.

With best wishes

[Signed] Father John Grace
