Dear Sister Berneice

I have forwarded to David Owen the cheque we agreed on for \$25,000. I have received from David the signed disclaimer and a Christmas greeting card in which he expresses his thanks.

You may have heard directly from David, but for you records, I enclose a copy of all the correspondence.

Thank you for making the visit to David with Anne, and while not all former residents are at peace, I believe you have given David renewed hope.

Yours sincerely

Brian Heenan
Bishop of Rockhampton
