Dear Laurie,

Further to our phone conversation earlier today, I am sending you copies of any information I have [?] David Robert Owen, I will be glad to have your advice as to how to respond and who should respond. Please note – I have not yet received either letter from McCabe and Brown directly. Carroll & O'Dea sent on a copy of that of 22/6 and a copy of that of 12/9 has been received today from ISMA.

RE case – I meant to ask you who should be advising us and keeping us informed? By phoning John Shaw I found the hearing is adjourned till 4/10, but I feel someone should be letting us know what is happening.

I look forward to your advice. Many thanks for the hearing. God bless, Berneice
