

2.5.1995

Dear David,

I thought I had better write to you and introduce myself since Mrs. Carrick had mentioned me and gave me your address.

She probably told your that I am the contact person in Rockhampton Diocese for any matters concerning allegations of molestation.

If I can be of any help or if you feel the need to contact me, please do so at the above address or phone number.

Yours Sincerely,

Noel Hynes
(Rev. N. Hynes)
