Dear Brian,

The enclosed was re-addressed on to me.

It is from our friend who originally started proceedings in REDACTED. He has now obviously moved to REDACTED.

I shall acknowledge his letter and tell him I am out of action for now and that I have sent his letter to Rippon.

If you want to discuss it with me I shall be back at home address after I get out of hospital (Ph. REDACTED).

Alternately you might talk to Jim Spence!

Every best wish,
Neil

Dear Mr. M. Hynes,

Well father its been a long time since our meeting at the presbytery point near Langate.

I still seeing a specialist here with my problem however I'm feeling a lot better.

Latter the reason I writing to you to see if the Bishop of Rockhampton is prepared to Reimburse my fee of Cost to the Barrister which Cost \$430.00.

If this is agreed by the Bishop I will be prepared to forget everything & promise not to talk to any person of the subject again.

plus I'm thinking of Mr. Anderson being not with us any longer I am a man of Comprehension & forgiveness.

Hoping to hearing from you of this proposal.

God. Bless.

Sincerely,

AYQ
