Dear Fr Brian,

I wanted to let you know Dave rang me last Friday and then again Monday. He is very anxious as to the outcome of our meeting. He was also anxious as to your reaction – as you know he thinks highly of you. I said you were very supportive and concerned for him but you needed to take the matter to your finance committee. I know David also said he would ring you to have a chat – I did let Jan know and he has left a message for you to ring him.

I paid him \$1000 out of my professional standards budget after his call last Friday as he also wants to start planning for Christmas – buying presents etc and visit some family in Cairns. I saw this as a positive because, as you know Christmas is always a really hard time for him. Dave said he will pay this \$1000 back if he gets a settlement from the Diocese and Sisters. This is the sort of assistance I have regularly given to people over the years so ultimately whether he pays it back is not critical as the spirit and relationship of giving has proven to be really therapeutic.

Thank you, Father Brian

Best wishes,

*Anne*
