Dear Mary and AYB

I am writing to you in my capacity as the Executive Officer of the Rockhampton Diocesan Group that advises the Bishop on "Towards Healing" issues.

Your letter requesting financial help to attend the "Breaking the Boundaries" Conference in Melbourne in July was tabled at the last meeting in May. The advisory group agreed with funding 2 people to attend the conference and felt that you would both be eligible candidates to attend. It was felt that your support work with the Neerkol Action Support Group warranted your participation. The advisory group felt that in your roles, the knowledge gained at the Conference would also be of considerable help to yourselves and to the people you support.

A cheque made out to Project Esther to cover airfares has been forwarded to Karen Walsh. It covers accommodation and registration fees of the conference for you both. We hope that you both enjoy the conference.

Yours sincerely

Jo Mensinga
