Dear Sister St Pious,

We, the Neerkol Action Support Group Committee and our members, would like to thank you sincerely and to commend you for the courage you showed by coming forth.

You acknowledge the hurt we experienced

.Your face to face meeting with REDACTED has certainly help her and others recognize your willingness to assist the reconciliation process initiated by Sister Dianne Rowan.

As you are the only Sister of that era to do this we thank you sincerely. We believe your action epitomizes Christianity.

We can not change the past nor can we restore the childhood lost but we can learn from these mistakes and work towards a better future

We, the Neerkol Action Support Group and its members, sincerely thank you and wish you well for the future.

Yours sincerely,

Ms Mary Eather
Secretary for the N.A.S.G
