AYD

Chairman

Neerkol Action Support Group

REDACTED

Dear AYD,

In recent times, I understand that there have been discussions concerning the future of the Neerkol Action Support Group.

Any decision regarding the future of the Neerkol Action Support Group must, of course, be made by the members of the Group. The Sisters will be respectful of whatever decision is taken with respect to the future of the NASG.

Likewise, the Sisters would completely support any decision reached with regard to the future usage of the office equipment purchased for the NASG out of the original grant made by the Sisters to the Group.

The NASG has certainly made a valuable contribution to the reconciliation process. The members of the Committee have always treated me with great courtesy and respect and it has been truly gratifying to see how much has been able to be achieved by people working together in a spirit of co-operation.

I look forward to an appropriate opportunity in the near future to mark the successful conclusion of the litigation between the overwhelming majority of the NASG members and ourselves.

Please do not hesitate to contact me if I can ever be of assistance.

Kind regards,

Di-Anne
