
25/11/1997 p/c/i Mary Eather (NASG)

Mary rang to say [AYN] has decided not to proceed with his request for the face to face apologies. Mary thinks it was because the thought of coming to Rockhampton was too distressing for him. [AYN] has asked if it's possible to return to him the ring (with a red stone) taken off him by Sr Emelian. This ring was precious as it was a gift from his mother, who died when [AYN] was 7 years old.
