
P/c/o Dave Ownes 15/7/1997

Told him that the Sisters were happy to consider payments to Roger Peters (^{psychiatrist} ~~plus interest~~).
Dave seemed to want to refer this matter back through his solicitor, saying that his solicitors could be worried that if a payment was made to Roger Peters, then this might get in the way of his legal action against the State. I explained that I thought any offer made by the Sisters could be separate from the State.

Dave has been to Roger for 4 years, the workplace paid for about 2 years and then the last 2 years have been unpaid.

PLAN I will contact Roger (**REDACTE**) and talk about amounts
