Dear Committee,

I am writing to support application for an interest free loan of \$3,500 to buy a wood blocker.  AYE

AYE is nearing retirement age and wishes to supplement his income by chopping firewood on a small commercial basis. He feels he could repay a loan of this magnitude out of his current earnings, with the balance to be paid from his long service / termination pay.

He has previously received as \$500 loan from the Professional Standards office which he repaid

Thank you for considering
