

Dear AYC,

I'm writing to you to follow up our recent conversation. I have put the cheque for \$345 in the mail to Ray White, this afternoon.

I have enclosed a brochure for you about the ways in which the Sisters of Mercy are trying to help former residents of Nerrkol.

I have also found some information about counsellors in Ipswich: I have tried to find a variety of counsellors for you:

a) Vanessa Emery 0754651499 or
 0754653088 (Direct)
(Vanessa would be able to visit you at home, if that is helpful)

b) Annette Banks (Community Health) ph: 07 38172444

c) Lifeline (face to face counsellor) 07 32818688

d) Women's Health Centre: 07 38120138

e) Therese Mc'Hugh: a private psychologist: 07 32814831
Therese is away until 14 July end NOV. '98

AYC, if there is a cost attached to any of this

CTJH.202.02009.0002

Counselling, the Sisters of Mercy would be happy to meet that cost. You would only need to let me know the details, so that payment could be arranged.

By the time you received this letter, I hope to have spoken to you by phone again. This letter will provide the information in writing for you.

Take care, AYC

Margie Newton
