Dear Sirs

Corporation of the Sisters of Mercy of the Diocese of Rockhampton & Roman Catholic Trust
Corporation for the Diocese of Rockhampton AYQ

Thank you for your letter dated 24 October 1995

We would be grateful if you would assist us in relation to the following further matters

1. Do the relevant records contain information about the degree of "control and supervision" exercised by either the First or Second Defendants over the priests at "Neerkol" in the 1940's or at any subsequent stage? If so, please advise us of the level of control and supervision that existed. For example, please let us know who the priests were answerable to, what administrative structure existed between the First Defendant, the Second Defendant and the priests and who determined and co-ordinated the rosters and duties of the priests at Neerkol
2. Could you please confirm that there are no "formal defects" in the Plaintiff's claim. For example, is it correct that it was one or other of the Defendants who operated Neerkol at the particular time?
3. Could you please provide details of Father O'Donnell's death.

*Nothing 'ow

Srs.*In addition, we ~~enclose~~ a copy of a draft affidavit of Father Hynes as prepared by Counsel. Kindly confirm that Father Hynes is the appropriate person to swear such an affidavit. Please also provide us with the information necessary to complete paragraphs 1 and 2 of the affidavit.

We look forward to hearing from you as soon as possible in relation to the matters raised herein. If you have any queries, please contact Maria Kearney on (07) 3226 6450.
