Dear AYD,

This is my third attempt to write a letter to go with the draft letter about counselling. I am sorry the draft letter has taken me longer than I had hoped but my computer was replaced and that caused a few problems.

Sue Prosser gave me your file to read and I was very upset as I read your experiences at neerkol. I am so sorry that you were treated so badly.

I was very impressed after meeting you and speaking with you on the phone. Thank you for being so helpful and understanding. I hope that by working together we can help all the former residents of neerkol.

Yours sincerely,

(Sr) Di-Anne Rowan
