

15th March 2001

Dear AYD,

The bank number you gave me was not sufficient to send fund by electronic transfer.

I have tried to phone you a few times but the phone has been engaged. I've therefore sent a cheque for the \$500 to get your car fixed.

I hope this helps. Although the Sisters do not have much money left. They would rather spend it helping people than paying lawyer's bills!

Best Wishes

Anne Czekanski
