Dear Mary,

As one of my final jobs in the role of Response Co-ordinator for the Professional Standards Group of the Diocese, I wanted to let you know that I was able to contact AYC with reference to your complaint about "Fr John". Unfortunately Mary, AYC was not able to identify the priest any further either.

I have passed this information back to the Governor of the committee and asked that he take that to the next committee meeting for discussion as to the next step. The Governor's name is Fr John Grace. I hope you will hear something back from the committee soon after their February meeting.

All the very best for you and your children Mary,

Margie Newton
