REDACTED

Dear AYN,

Thank you for your recent letter. I am keeping well at present and Phillip is fine as well. Unfortunately, his mother is very ill and this is causing him a great deal of worry.

If Neerkol is to be sold, I don't think it will be for quite some months yet. Even if it was sold at the end of this year, I am sure you would have another twelve months to visit prior to the Stanwell Corporation wishing to do anything with the site. There is no certainty that it will even be sold but I will keep yourself and all the other former residents fully informed of developments.

AYN, I am sorry that we have never been able to locate any photos of you at Neerkol. I know how much they would have meant to you. If Neerkol is sold, I will certainly speak to you about the bell. To date, no other former resident has expressed an interest in wanting to have the bell and in light of your yearning to have a memento of your time at Neerkol, it would seem appropriate to me for you to have the bell.

Phillip is away at present and I will be away from tomorrow 22 June to Monday 3 July. AYN, I hope this letter finds you well and I look forward to talking to you again in the near future and to meeting with you when you do get the time to visit Neerkol.

Please know that you and all the former residents of Neerkol are always in my prayers.

Kind Regards,

Di Anne
