Dear Mary,

Re – the 25.9.97 apology, by Sisters Di Rowan, on behalf of the Sisters of Mercy. Despite her apology I would be seeking, through the Neerkol group, a personal apology, to be made to me, by the following persons –

- Sister Amelia,
- Sister Clare,
- Sister Anslem,
- Sister Sumpter,
- Sister James,
- Sister Pious,
- Sister Madeline,
- Father Anderson,

The abuses I suffered at the hands of these persons has had a devastating and lasting effect

On my life. The worst of these abusers were Sister Anslum and Sister Sumpter who made my life in Neerkol hell with their deliberate and spiteful cruelty to myself and what I saw done to the other children. The hell that I went through and witnessed at Neerkol with live with me for the rest of my life and no amount of counselling at my age, will change that an take away the hurt that I suffered there. I have had to live with this for all of my life and I am grateful now, that through the Neerkol Action Group, the truth is being brought out into the open. It's a shame it came to late for those children who committed suicide because they could no longer live with their memories of the abuses and humiliation they suffered at the hands of the sisters.

Yours faithfully

AYN
