

MEMORANDUM

DATE: 14 November 1996

FROM: Monsignor Denis Hart

TO: Mr Peter O'Callaghan

Dear Mr O'Callaghan,

I enclose a recent letter from Father Victor Rubeo to Archbishop Pell. Archbishop Pell has asked me to forward to you a copy of the file and would be grateful for advise as to whether it is appropriate for him to have faculties to be available for supply work in the Archdiocese. He envisages short-term weekend supply or holiday supply or emergency supply and, where possible, he would mean to return to his own residence each night while on supply assignment. It is proposed that he live in private accommodation with the provisions made for retired priests in the Archdiocese. Do this proposal meet with your approval?

With many thanks for your constant help.

Yours sincerely in Christ,

D

Rev. Monsignor Denis J. Hart
Vicar General
