Your Grace,

Many thanks for your letter of 14th April. It demonstrates your concern for those of us desirous of obtaining peace of mind because of our actions.

As I have already, with God's help, obtained that interior peace, I am quite content living as I have been for the past 14 years.

However, I am open to any suggestion you may have to assist me in living out the remaining years I may have.

I will be offering Mass for your intentions to-morrow.

Assuring of my continued prayers for the successful fulfilment of your onerous task,

I am

Yours sincerely,

Victor Rubeo
