Your Grace,

Thank you for your letter dated 4th January together with copy of letter you wrote on the same date to Father Pickering. I have asked Father Pickering to come and see me and then if I have anything resulting from that interview which I think you ought to know about I will write to you accordingly.

I am grateful to you for letting me know the state of play in regard to this one of your priests. I am sorry for the obvious burden he has given you.

I am, devotedly yours in Christ,

Bishop John Jukes OFM Conv
Bishop of Strathearn
