Dear Father Beasley,

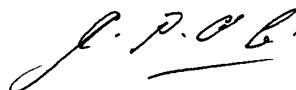

I write on behalf of Archbishop Little, who is at present recuperating from his recent illness, regarding Father Ronald Pickering.

Archbishop Little has specifically asked me to make this request of you with regard to Father Pickering whose appointment as Administrator of the Parish of Gardenvale was revoked as of Monday, 31st May, 1993.

At this time the Archbishop does not intend appointing Father Pickering as Pastor Emeritus. However he would appreciate your regarding Father Pickering, in this exceptional case, as qualifying for receipt of those monies which would normally be granted to PE's.

With every best wish,

Yours sincerely in Christ,

Bishop J P O'Connell
ADMINISTRATOR
