Dear Archbishop Denis,

Thank you for your interesting letter of 14th April, and for your proposal to apply for the dispensation mentioned in it to be granted to me.

Since, however, I have faithfully celebrated Mass privately and prayed the Divine Office from the time of my suspension, I do not believe that I have "been away from the priesthood".

Accordingly, I would ask you not to apply for this dispensation for me. Every blessing for you in your work for our great Archdiocese!

Yours in Christ the Priest,
Wilfred Baker.
