

MEMORANDUM

TO: Mr. Richard Leder, Corrs Chambers Westgarth.

FROM: Rev. Monsignor Denis Hart

DATE: 25th October, 1996.

I enclose material relating to yet another of an on-going series of incidents in Holy Family Parish, Doveton, involving the parish priest, Father Peter Searson.

When I interviewed the School Principal yesterday I immediately sent a fax to the parish priest, instructing him not to send for young children to assist as altar servers at Mass during the week until this matter is clarified.

In the light of the enclosed information is there anything else that you would advise?

VICAR GENERAL.
