Most Revd T. F. Little, S.T.D.,
Archbishop of Melbourne,
Saint Patrick's Cathedral,
MELBOURNE.

Your Grace,

The hoped-for miracle has not occurred and the situation here has deteriorated since your coming here for Confirmation. Pastorally the Parish is polarised, theologically it is confused and financially in a downward spiral, as the Church is presented as rich - even our recent fund raising campaign was a futile exercise in effort and expense. At your request, I can well substantiate the above, but detailing it here is invidious.

We have both genuinely tried under severe pressure, but beyond keeping reasonable peace through non-contact, we agree on high incompatibility. If you are unable or do not wish to act on my submission, may I respectfully request a consultation with you prior to the appointments.

With best wishes and kindest regards,
Respectfully in Christ,

Peter L. Searson

Peter L. Searson.
